Summary

Motivated and detail-oriented Multimedia Software Development graduate with experience in IT security, data reporting, and visual design. Skilled in Python, C#, Power BI, HTML/CSS, and Adobe Creative Suite, with a strong background in collaborating across technical and creative teams. Passionate about creating innovative digital solutions that enhance user experience and drive efficiency.

Work Experience

Executive (IT), Xjenja Malta, Kalkara
December 2025 - Present

Content Management Executive, CompetitionLabs Gamification, Swieqi
November 2025 - November 2025

Gained hands-on experience in API-driven development, testing APIs with Postman, collaborating in Figma, and designing user-friendly interfaces, including interface flows for a casino application.

IT Security Officer, BNF Bank plc, Gżira
June 2024 - November 2024

Continued working with the IT Security team, focusing primarily on access reviews and creating KRI reports with Power BI. Maintained responsibilities for designing posters and other visuals using GIMP.

IT Security Apprentice, BNF Bank plc
June 2023 - May 2024

Collaborated with the IT Security team to ensure the bank's systems were protected against cyber-attacks. Additionally, worked closely with the marketing department to design posters and lock screens.

Data Entry Clerk, Malta Enterprise Corp, Valletta
January 2021 - September 2025

Worked as part of a team in an office environment, primarily responsible for data entry and handling customer calls.

Education

Bachelor's Degree in Multimedia Software Development, MCAST
October 2022 - July 2025

Advanced Diploma in IT (Multimedia Software Development), MCAST
October 2020 - July 2022

Secondary Education, St Benedict College
September 2015 - May 2020

Il-Kulleġġ Malti tal-Arti, Xjenza u Teknoloġija

In recognition of the successful completion of the approved course of study

MCAT hereby confers upon

Leon Sacco

the degree of

Bachelor of Science (Honours) in Multimedia Software Development

with Second Class (Upper Division)

Principal

Registrar

This Qualification is awarded by the Malta College of Arts, Science and Technology (MCAT), a Further and Higher Education Institution established in 2001 and regulated by the MCAT Act (CAP. 638 of the Laws of Malta).
MCAT has self-accrediting status by virtue of the Further and Higher Education (Licensing, Accreditation & Quality Assurance) Regulations (SL 607.03) and is governed by the Education Act (CAP. 605 of the Laws of Malta).

4. CONTENTS AND RESULTS GAINED

4.1 Mode of Study

Full-Time

4.2 Programme Requirement(s)

This is a three-year programme through which candidates will be expected to achieve the following learning outcomes:

Design, create and document multimedia content needed in software applications
Design, implement and document game and mobile applications for given requirements
Integrate and synchronize multimedia content with application events
Test and secure software applications and content to conform with industry standards

All candidates must successfully complete a Dissertation.

Registrar

The statement shows the level awarded to the candidate in each subject for which they registered for.

1. The attainment in each subject is given as either Lv3 or Lv2, decreasing in merit from Lv3 to Lv2.

2. Lv3 means Level 3 and Lv2 means Level 2.

3. A Level 3 qualification is equivalent to SFC grade 1-5 level and a Level 2 qualification is equivalent to SFC grade 6-7 level.

4. na* denotes that a level was not awarded.

5. In the column marked coursework, the school-based assessment component mark is reported.

6. A formal certificate will be issued in due course.

Descriptions of Section-Level Labels

Below Expectations: Reflects performance lower than the expectations defined for a minimally qualified candidate.

Similar to Expectations: Reflects performance similar to that of the defined minimally qualified candidate.

Above Expectations: Exceeds the performance defined for a minimally qualified candidate.

To Whom It May Concern,

I am writing to recommend Leon Sacco, who worked as part of our team in an office setting part of setup at Malta Enterprise Corporation. Throughout their time here, Leon consistently displayed a strong work ethic, excellent teamwork skills, and a professional attitude.

He contributed effectively to various tasks, demonstrating reliability, attention to detail, and a proactive approach to problem-solving. Leon worked well in a team environment, communicating clearly with colleagues and completing assignments efficiently and on time.

I am confident that Leon will be an asset to any future employer and fully recommend them for any opportunity they pursue. Please feel free to contact me if you require further details.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Olaf McKay', with a large, stylized flourish extending from the bottom right.

Olaf McKay

Dear Sir / Madam,

I am pleased to write this Reference Letter for Leon Sacco, who has just completed his work experience with me as his direct Supervisor.

Mr. Sacco demonstrated professionalism, dedication and an exceptional work ethic. Beyond his technical abilities Leon is reliable, approaches tasks with a positive attitude and is eager to learn and contribute.

I am confident that Mr. Sacco will be an asset in any future role he chooses to pursue.

Sincerely,

A handwritten signature in blue ink, appearing to read 'R. Azzopardi', with a stylized flourish extending from the end.

Rachael Azzopardi

Call Centre Supervisor
